SUBJECT: DEVELOPMENT CORPORATION FOR ISRAEL, formerly  
American Financial and Development Corp. for Israel  
REGISTRATION ACT.

Attention is invited to serial 21 of instant case, a letter from the Bureau dated May 20, 1952, which instructs that the Bureau be advised of any information that subject is engaging in any political activity.

Attention is also invited to serial 20, a Department letter dated May 5, 1952 which set out that subject's registration was not being required at that time but pointed out that the exemption was available only so long as the Corporation did not engage in any political activity as defined by Rule 100 of the Act on behalf of the State of Israel. In this letter the criminal division set out a meaning of Rule 100 such as attempting to influence the foreign policy of the United States, endeavoring to procure the enactment or repeal of any legislation affecting the State of Israel, or dissemination of any political propaganda on behalf of the State of Israel.

In view of the current attempts on the part of Israel to influence the U. S. to furnish arms to that country and inasmuch as officials from the State of Israel make political speeches for promotion of sale of bonds of subject it is recommended that this case be reopened. It is felt that this investigation should be directed toward bringing this case up to date and ascertaining whether the acts of Political Leaders in the US on behalf of the state of Israel come within the meaning of Rule 100.

**ISRAEL BOND UNIT  
RAISES \$42,318,550**

Sales in This Country Since  
Drive Started in 1951  
Reach \$216,595,450

The Israel Bond Organization sold \$42,318,550 in bonds in 1955. The receipts were used for consolidating Israel's economy. Dr. Joseph J. Schwartz, vice president of the organization, made the report last night as the board of governors opened a two-day meeting at the Savoy Plaza Hotel.

Dr. Schwartz said that the 1955 campaign results represented a 20 per cent increase over figures for the previous year,

and brought to \$216,595,450 the total of bonds sold since the drive began in May, 1951. The Israel bond campaign was started in that year by Prime Minister David Ben-Gurion.

In his report, Dr. Schwartz said that 100,000 bonds were sold in 1955, bringing the total outstanding to 800,000. He said 60 per cent of the 1955 purchasers had never owned any Israel bonds before.

He attributed the 1955 results to three major factors:

"Popular response to the crisis which confronts Israel at the present time."

"Broad unity in the American Jewish community behind the Israel bond drive."

"The profound impact on Americans of the visits here of number of Israeli personalities, particularly Foreign Minister Moshe Sharett."

Mr. Sharett, who recently returned to Israel, toured this

country for the Israel bond drive, and also spoke for the United Jewish Appeal drive. Presiding at the meeting was Dr. Abba Hillel Silver, spiritual leader in Cleveland. Dr. Silver recently accepted the chairmanship of the board of governors.

In another report, Judge Louis E. Leventhal of Philadelphia, chairman of the Guardians of Israel, a branch of the bond organization, said that the enrollment of trustees of the Israel Bond Organization rose 25 per cent from 1954 to 1955, while the enrollment of guardians of Israel increased by 13 per cent.

The Guardians of Israel constitute an honor group whose members buy \$1,000 or more of Israel bonds, while trustees buy \$10,000 or more of Israel bonds.

Mrs. Michael A. Stavitsky of Newark, N. J., national chairman of the women's division, reported on her division's activities last year.

## Zionists Appeal to Eisenhower To Back U. S. Arms for Israel

An appeal to President Eisen-  
hower to use his executive pow-  
ers to strengthen the security of  
Israel with arms was made yes-  
terday by Zionist leaders.

This appeal was coupled with  
a sharp denunciation of Commu-  
nist designs in the Middle East.  
Concern was also voiced over the  
increasing threat of war there-  
owing to the shipment of arms  
to the Arab states.

Abba Eban, Israel's Ambas-  
sador to the United States and  
chief Israeli spokesman at the  
United Nations, told the board  
of governors of the Israel Bond  
Organization that peace in the  
Middle East "will not grow out  
of a grotesquely distorted im-  
balance of arms such as that  
now being created to Israel's dis-  
advantage."

"Such an imbalance is more  
likely," he said at the final ses-  
sion of a two-day meeting at the  
Savoy-Plaza Hotel, "to produce  
a danger of war than a prospect  
of peace."

The organization's board adopt-  
ed a goal of \$75,000,000 in Israel  
bond sales this year. In a mes-  
sage to the meeting, Prime Min-  
ister David Ben-Gurion of Israel  
asserted Israel's belief that "the  
maintenance of peace is prefer-  
able even to victory in war."

Dr. Abba Hillel Silver, Zionist  
leader and chairman of the board  
of governors of the bond organi-  
zation, called attention to the  
seriousness of Israel's position  
"because the Western powers  
and the Soviet Union are now  
trying to outbid one another in  
their avowed devotion and sup-

port of the Arab states who are  
committed to the destruction of  
Israel."

The executive body of the  
Zionist Organization of America,  
meeting at the Statler Hotel, in  
its appeal to President Eisen-  
hower to safeguard Israel's se-  
curity said that the shipment of  
arms to Israel would discourage  
"aggressive designs by the Arab-  
Communist axis."

This appeal, embodied in a  
unanimously adopted resolution,  
asserted that Israel's people,  
"survivors of totalitarian oppres-  
sion, and refugees from Arab  
lands, are threatened with anni-  
hilation by the Communist-  
backed Arab dictatorships."

Dr. Emanuel Neumann, chair-  
man of the executive committee  
warned the United States Gov-  
ernment against sacrificing Is-  
rael "a loyal friend and potential  
ally to satisfy a would-be ag-  
gressor."

Dr. Neumann also warned on  
the forthcoming visit to Wash-  
ington of Sir Anthony Eden,  
the British Prime Minister, "to  
sell the American Government  
his own special brand of ap-  
peasement."

Reference is made to SA J. WALLACE LA PRADE'S memo dated 4/30/56, wherein it was recommended that this case be reopened, and investigation be conducted to determine whether subject is engaged in any activities coming within Rule 100, such as attempting to influence the foreign policy of the US, endeavoring to procure the enactment or repeal of any legislation affecting the State of Israel, or dissemination of any political propaganda in the State of Israel.

It will be noted that a review of the information furnished by CSNY 1, and the information contained in the record of the Certificate of Incorporation for the subject does not set out any information indicating that subject is engaged in any political activities and violation of Rule 100, of the Registration Act. A review of newspaper clippings available concerning subject failed to develop any employees of subject who have been engaged in any activities as defined by Rule 100, although various officials of the Israeli Government such as AEBA EBAN, have made various speeches in behalf of subject and in an attempt possibly to influence the policy of the US Government.

In view of the fact that this review has not developed any information that specific employees of subject are engaged in activities, in violation of Rule 100, it is recommended that this case be placed in a closed status. In the event any information is developed indicating that subject is acting in violation of Rule 100, consideration will be given in reopening this case.

Re: Development Corporation for  
Israel, Also Known As:  
"Bonds for Israel"

The "New York Daily News" newspaper of December 21, 1956, carried an article captioned "Israel A 'True Friend' of US-Dewey." The article set out that Thomas E. Dewey called upon Americans to recognize Israel as our "true friend in the Middle East" at a testimonial dinner given John R. Crews last night by the Brooklyn Committee of the State of Israel Bonds Group. The article set out that more than 1,000 civic, community and religious leaders attended the dinner in the Hotel St. George where \$780,000 worth of bonds were sold in honor of Crews, who was described as the Republican leader of Brooklyn.

The Article stated that the former governor, featured speaker at the affair, said that if the existence of Israel were acknowledged by all Arab nations "much of the tension in that part of the world would certainly subside."

The Article continued that Brooklyn District Attorney Edward S. Silver, Chairman of the Bond Drive in Brooklyn, presented Crews with a silver plaque, engraved with a map of Israel.

This memorandum is loaned by the Federal Bureau of Investigation and neither it, nor its contents are to be disseminated outside the agency to which loaned.

The Development Corporation for Israel is located at 215 Fourth Avenue, New York City. The records of CSNY -1, a reliable commercial source who has furnished commercial information in the past, advised SA J. WALLACE LA PRADE on 7/3/56, that a report dated 6/9/55, indicates that the Development Corporation for Israel, 215 Fourth Avenue, New York City, was chartered in New York State, 3/21/55, for the purpose of selling bonds for the State of Israel. Development Corporation for Israel; Registration Act, is the subject of a closed case of the NYO (Bufile 97-3038) (NY 97-1245). This organization was previously known as the American Financial and Development Corporation for Israel.

The records of the Bureau of Motor Vehicles, New York State, New York City, as furnished 6/18/59, to IC [ ] by [ ] indicates that a drivers license issued in September, 1956 to JOSEPH J. The NYO files contained further background information relating to JOSEPH J. SCHWARTZ. This information was received directly from SCHWARTZ during panel type interviews of trans-Atlantic travelers conducted by the NYO at New York City, during World War II.

Pan American trip number 13-006 arrived at New York City, 11/28/43. Among the passengers who boarded the plane at Lisbon, Portugal, on 11/24/43, was one JOSEPH SCHWARTZ, who is believed to be identical with the above mentioned Doctor JOSEPH J. SCHWARTZ. Memo contained

NY 100-63077

He reportedly went to Paris, France, in May, 1940, and after the fall of France, he proceeded to Lisbon where he established headquarters for the administration for the relief of Jewish refugees. He indicated that he had left the United States 11/6/44, as a special representative of the War Review Board and as a representative of the American-Jewish Joint Distribution Committee.

It was noted that a censorship intercept in connection with the Alto case indicated that on 10/3/44, JACOB LANDAU wrote the USSR Embassy, Mexico City, and included a Jewish telegraphic agency news release dated

NY 100-63077

9/15/44, at New York City, which release was an announcement that Doctor JOSEPH J. SCHWARTZ, a representative of the Joint Distribution Committee, was to be included in the delegation being sent by the UNRRA to Poland.

The NYO report of SA [redacted] b6

(Bufile 65-58700) (WFO Origin 65-5284) (NY 65-15150)  
reflected that the 6/3/55 issue of "Israel Speaks"  
contained an article which indicated that ABRAHAM FEINBERG,  
President of Israel Speaks, Incorporated, since 1948, had  
been elected President of the Development Corporation for  
Israel, 5/22/55, and that other officers included Doctor  
JOSEPH J. SCHWARTZ, Executive Vice President.

The report of SA FRANCIS J. GALLANT, dated  
6/23/55, at New York, in the above mentioned Espionage-

1949 to June, 1951, and that in May, 1952, he had been  
employed in the United States of America to promote the  
sale of Israeli Defense bonds.

The same report indicates that on 5/6/55, SA J.  
WALLACE LA PRADE, learned through a pretext telephone  
call to the American Financial and Development Corporation  
for Israel, New York City, that [redacted] whose last
